St. Ignatius of Loyola (the founder of the Society of Jesus or Jesuits) was one of the great spiritual guides in the history of the church. He developed a rich and unique approach to prayer, combining Biblical passages with the imagination to foster a deep encounter with Christ in our hearts.

**Friday** evening we will learn about the saint and how he developed his Spiritual Exercises.

**Saturday** we'll pray together, using Ignatius's methods to seek God's will and direction for our lives and to enjoy the beautiful gift of God's love and grace given to us through Christ and the Spirit.

**Carl McColman** is a popular presenter, retreat leader and author of several books on Christian spirituality. He is RCIA director at a Jesuit parish and a Lay Cistercian at the Monastery of the Holy Spirit in Conyers, Georgia.
